EasyTest & Endless Math CDs for Operators

AceOps has passed another big milestone in providing tools and resources for water and wastewater operators- now a combined total of well over 3,000 practice questions are on our **EasyTest** CD collection! New questions are added every month as we develop relevant and useful questions to include. And now- you will find that more and more questions contain movies, graphics, and explanations to further enhance these great tools.

EasyTest for Operators is a unique computerized tool that is designed to provide hands-on COMPUTERIZED practice questions (each CD contains well over 200 questions) that will help sharpen operational knowledge and test taking skills as folks prepare for their next certification exam. Folks who have purchased these CDs love how easy they are to use! See evidence from actual users by clicking on "Feature Resources" at www.aceops.org.

The cost is \$59/CD for AceOps members and \$99/CD for non-members. AceOps gift certificates accepted - limited to one gift certificate per order. 5% discount if ordering 10 or more cd's at one time!
